## 2020 South Coast Development Program

**The GIANTS Academy is excited to announce the 2020 South Coast Development Program which will run over 10 sessions from early August through to early October.**

In partnership with AFL NSW/ACT, the GIANTS Academy aims to identify, nurture and develop elite athletes in NSW and the ACT. The Academy offers players individual skill development programs, to mould and better the AFL talent pathway within the club's zone.

This year the program will run out of three training centers (Nowra, Batemans Bay & Merimbula) and will include a mix of skills development, individual assessments and trial matches.

The South Coast Region provides opportunities for players in the Development phase of the Academy program. This phase is open to boys who are turning 13 (born 2007), 14 (born 2006) or 15 (born 2005) in this calendar year.

**Trial dates for entry into the 2020 program are as follows:**

- ***Merimbula - Berrambool Oval***  
6pm - Monday 3rd August
- ***Batemans Bay - Hanging Rock Oval***  
6pm - Wednesday 5th August
- ***Nowra - Nowra Showground***  
6pm - Wednesday 5th August

We are very much looking forward to seeing some great talent on the park again this year. We strongly encourage all players who are looking to develop their game and/or have ambitions to progress their football pathway to attend one of the trial sessions.
