Competition Manager's Address

On behalf of me and my team at AFL South Coast, as well as the broader AFL NSW/ACT community who have helped service the Illawarra in 2023, welcome to AFL Illawarra Juniors Grand Final Day.

2023 has been one of immense change but has been a rewarding one for all involved in the region. It hasn't always been easy however we have been fortunate to facilitate one of the least interrupted seasons on the South Coast over the past few years.

I moved into my role less than a month from Round 1 and have spent the season frantically learning about the competition, the clubs, and the people. The club executive have made me feel incredibly welcome, and whilst I haven't been out to everyone's home games this season, I appreciate those that have made my attendance an enjoyable time.

It hasn't always been easy, Jess Markut returned to reduced hours, and Maddy O'Connor who did a power of work in the off-season moved into a new role, leaving us short across the region. Additionally, I kept the challenge of overseeing AFL Central West for the duration of the season. Throughout these challenges, everyone remained patient, and understanding. The continued support for Jess and I is valued, and we are excited to continue working with the league moving forward.

Competition Manager's Address

To the coaches, thank you for nurturing the next generation of Isaac Heeneys and Allyce Parkers. Your involvement is crucial to the kids returning year in, year out, and our coaches do it better than most. Coaching is a great way to get involved in the game, and we encourage anyone thinking about giving it a go, to get involved.

To the umpires, who officiate our game every week and allow us all to enjoy the game we love, thank you. The clichés of without you we don't have a game are all well and good, but we truly value your involvement. Thanks also to Josh and Joel Spain, Zac Joseph and Darren White for their support of our officials via coaching, appointing and advocating for umpiring. I'd also like to acknowledge Josh Dunstall and Brent Trewin for their support in the umpiring space, providing a great link between the AFL and our coaches, and ensuring we continue to move in the right direction.

To the players, thank you for choosing our sport. For turning up on winter evenings and training, to then put in great performances on weekends. The skills you'll learn without a footy in your hands are skills for life. Teamwork, resilience, coachability, communication, perseverance. I hope the experiences you have had in 2023 will bring you back next year, to do it all again. Good luck to everyone today, win or lose you have done your clubs proud. Play well and play fair.

Competition Manager's Address

To our volunteers, who mark the fields, man the canteen, throw a ground manager/runner/water carrier vest on, time-keep, score, team manage or do anything else at clubland. Thank you. We still rely on too few to do too much, but it is wonderful to be out at footy seeing the community support one another.

There are plenty of jobs which happen behind the scenes that aren't recognised, but we know how much work it takes to get a game day with one match run, let alone a competition our size.

To our committees and club executive. It has been a joy working alongside you this year. I hope having an extra staff member in your region has made you feel supported, and I hope you know how appreciated you are by Jess and I, as well as the rest of our AFL community. You've made this year a fantastic one. I hope you all can get some downtime in the off-season; you absolutely deserve it.

I'd also like to take the opportunity to acknowledge the Ulladulla Dockers and Bomaderry Tigers for their efforts in playing across two separate competitions. Every second week split from your club is a challenge, and it is a great joy to see both clubs represented today.

Competition Manager's Address

The season has not been without some incredible success stories from current and former Illawarra Juniors. Graduated Shellharbour Swan Lachlan Cabor has dominated his Under-18 National Championship season and Figtree's Grace Tracey was an All-Australian at the Under-15s Schools Championships.

Melanie Staunton represented the region with the Allies and AFL Academy Under-18 teams whilst numerous others represented the region in their respective Swans and Giants Talent Coates League sides.

Our Representative teams claimed honours at the Shoalhaven Carnival and then returned from Coffs Harbour with the Simon Smyth Cup (well they would have if the coordinators would let us keep the trophy). A huge thankyou must go to the team of coaches Kenny Ewen-Chappel, Bryce O'Connor, Keven Pritchard, Marcus Hollingsworth, Matthew Clarke and Peter Veerhuis for their effort and commitment to developing our juniors.

We reference Shoosh for Kids later in the program. Crucially, our players and umpires are kids, please respect that they are learning and developing, and support their efforts rather than criticise their mistakes. Thank you to all the umpires for their efforts this year, I hope you have a great day of footy today.
